

Natalie Blauer, DPT

Natalie received her Doctorate of Physical Therapy from Western University of Health Sciences in Pomona, CA. She also graduated with a Bachelor's Degree in Human Movement Science from Utah State University.

Natalie has had the opportunity to work in various settings and locations over the past year as a travel physical therapist, and is excited to settle down in Western Montana. Professional areas of interest include working with the neurological population, vestibular rehabilitation, as well as optimizing function and quality of life with orthopedic injuries. Natalie has received her Certificate in Competency in Vestibular Rehabilitation to provide further insight and updated treatment for individuals needing specialized care. Natalie has been an APTA member since 2021, with participation in the Neurology section.

Outside of work, Natalie enjoys hiking, biking, camping, ice skating, as well as reading, attempting to becoming a better cook, and spending time with her husband and cats.

***We relieve pain, restore function
and renew hope!***
