

Jennifer Schmit, DPT, COMT, OCS

Jennifer graduated from the University of Montana in Missoula, Montana with her Doctorate of Physical Therapy degree. She received her Bachelor of Science in Exercise Science and a minor in mathematics from UM.

She has continued her studies following physical therapy school with becoming certified in functional dry needling, becoming a Certified Orthopedic Musculoskeletal Therapist through the North American Institute of Manual Therapy, as well as a board certified Orthopedic Clinical Specialist through the American Physical Therapy Association. She is passionate about working with patients of all ages and diagnoses towards achieving their goals and reaching their full potential of functioning.

Jen grew up in Bozeman, Montana, but has greatly enjoyed her time exploring the Bitterroot Valley. When not at work, you can find Jen fishing or rafting with her husband, reading, hiking, being outdoors, crafting or cheering on Grizzly Athletics.

***We relieve pain, restore function
and renew hope!***
